LOYALTY PROGRAM

"A woman's magnetic aura of beauty is HERS alone to define—no one else. Complete, infinite, unconditional self-love. SHE is not becoming beauty; SHE is beauty itself, beyond form, beyond comparison. Love does not come to HER, nor does SHE seek it—SHE is Love, whole and untouched by the illusion of lack. What SHE is, has always been—eternal, radiant, beyond the grasp of time or opinion. SHE does not wear beauty; SHE is beauty, inseparable from the essence of all things. No mirror can reflect HER, for SHE is the "Seeing" itself. When SHE knows HERSELF, the search ends, and only HER true BEING remains."
